REQUEST FOR PERMISSION TO USE THE “SWaM-CERTIFIED” LOGO AGREEMENT

The official SWaM-Certified logo (“Logo”) is property of the Commonwealth of Virginia and the Department of Minority Business Enterprise (“DMBE”). The use of this Logo is encouraged by DMBE-certified Small, Women- and Minority-owned (“SWaM”) businesses on business materials such as websites, cards, other business-related publications.

SWaM-certified business owners may request permission for use by completing the attached Request for Permission form. In most cases, the DMBE will approve or deny the request within thirty (30) days of receipt.

Use of the Logo is strictly prohibited without the express written consent of the DMBE. Any use of the Logo must be for a purpose that supports the mission and goals of the Commonwealth of Virginia, DMBE’s SWaM Procurement Initiative, or the SWaM-certified vendor’s business. If the purpose for which permission was granted includes the solicitation or promotion of business opportunities from a Virginia municipal or state entity, the user must provide and/or report his/her firm’s SWaM certification number. If the purpose for which permission was granted expands or changes in any measurable way, a modified request must be submitted to the DMBE for approval. The DMBE reserves the right to modify its Logo or other materials without prior notice.

Utilization of the Logo in a manner deemed to be inappropriate by the DMBE, or that is outside of the scope of this Agreement, or specifically for the SWaM-certified vendor’s business purposes shall be referred to the Commonwealth’s Attorney for the City of Richmond for possible prosecution. DMBE also reserves the right and authority to withdraw permission to use the Logo without prior notice.

I (Owner Name) of (Business Name) do hereby agree to the above policy regarding the use of the SWaM-certified Logo.
